About La Lumiere School

La Lumiere School is a co-educational, independent boarding and day secondary school providing a college-preparatory education based in character, scholarship and faith. Our rigorous education, personal relationships, and focus on values create a rich learning environment for students. They are known by faculty, staff and other students from all grades. This familiarity enables our students to make lasting connections, engage in academics, participate socially and define their path. Founded in the Catholic tradition in 1963, the student body consists of over 200 students from a rich diversity of backgrounds. It is situated on a beautiful rural estate, 25 miles west of South Bend, 60 miles east of Chicago, and 8 miles from both La Porte and New Buffalo. La Lumiere School is accredited by the Independent Schools Association of the Central States (ISACS) and the North Central Association Commission on Accreditation and School Improvement (NCA).
