

La Lumiere

2021-2022 ANNUAL REPORT

Our Mission

At La Lumiere School, we form **character**, cultivate **scholarship**, and **explore** faith in order to grow into more complete versions of ourselves.

Our Vision

To be a community of learners who are ablaze with curiosity, confident of our value, and driven to serve others. Inspired in this way, Lakers will illuminate the world and set a new standard for excellence in education.

DEAR LA LUMIERE COMMUNITY,

The 2021-22 school year was one of renewal for the school in many ways. As we added various ingredients back into the mix, our students and faculty were reminded of the richness of a true La Lumiere experience: the genuine relationships that are formed here, the ideals that we strive to live up to each day, and our unparalleled commitment to each student as an individual; that here, you're known.

I would like to take this opportunity to thank David Wood for his service to La Lumiere as a trustee and chair for the greater part of a decade. David's passion for, and commitment to leading our school through a global pandemic fostered a sense of stability and confidence that our values and mission would thrive in spite of each challenge we faced.

I would also like to thank Adam Kronk, his wife Jacqueline, and their family for their service and dedication to La Lumiere as our Head of School over the last six years. Adam's faithfulness to instilling the values of La Lumiere into every aspect of the school is a testament to the character we seek to form here. While we are sad to see them move on, we are excited for this next step ahead for La Lumiere.

We are excited to welcome Dr. Andrew Hoyt, his wife Bridget, and their two sons Colm and Eoin, as he takes on an expanded role this year as the Interim Head of School. Andrew is a scholar, a leader, and an experienced educator. At La Lumiere, he has served on our teaching faculty and as Academic Dean and Assistant Head of School, and he was a founding faculty member of Cristo Rey Jesuit College Preparatory School of Houston. We are confident in his leadership of our school, and I would ask that each member of our community go above and beyond to support him and his team this year as they step up to the plate.

Our mission statement implores us to form character, cultivate scholarship, and explore faith in order to grow into more complete versions of ourselves. I'd like to take a moment to focus on the last phrase "to grow into more complete versions of ourselves." When lived out in the daily life of the students and faculty, there are tangible and measurable ways in which we can see this growth. But how will we measure it for our school as a whole?

Our Strategic Plan will serve as the guiding light for Andrew and his administration as they focus on continuing this growth approaching the sixtieth anniversary of the founding of La Lumiere. Included in this Annual Report is the one page overview of this plan. An accompanying internal document tracks specific and measurable outcomes as our school works toward making this plan a reality and accomplishing its goals.

On behalf of the entire Board of Trustees, I thank you, the La Lumiere community, for your dedication to our school, our values, and our vision for the future.

Yours Sincerely,

Dan P. Walsh '95
Board of Directors Chair
La Lumiere School

Restoring Faith Life on Campus

THANKS TO THE GENEROSITY OF OUR COMMUNITY, WE WERE ABLE TO REBUILD THE CHAPEL, BREATHING LIFE BACK INTO THE FAITH COMMUNITY HERE AT LA LUMIERE.

The Faith Council, which meets weekly and is led by our Sacristan Prefect, has been involved at every step of the way, ensuring that our students' voices are heard and they have a sense of leadership in this sacred space.

We have many additional stakeholders to thank. Father Gilbert Sunghera, S.J., who served as our liturgical space consultant, and Father Wayne Watts both have been instrumental in helping guide us through this careful work. We spoke to alumni and asked them to tell us stories about the chapel, and there were many. We even had the honor of hearing from Dr. Ray Daly, one of our founders, about the goal for La Lumiere from its inception almost sixty years ago. We're confident that we are working towards achieving these goals in 2022 and that the chapel will serve as a source of pride and inspiration for the next sixty years, and beyond.

Dedication to Residential Life

“

YOU MAKE A
LIVING BY WHAT
YOU GET,
BUT YOU MAKE
A LIFE BY WHAT
YOU GIVE.

”

WE ARE PROUD TO ANNOUNCE THAT WE RECEIVED A TRANSFORMATIONAL GIFT TO NAME THE NEWEST DORM ON CAMPUS, THE JOHN L. LARGURA DORMITORY.

John was the third generation owner of Superior Construction, a company whose decision-making has drawn guidance from the above quote for over eighty years. In particular, John saw the value of education as critical to the success of society, and we are honored that he and his family chose La Lumiere as a recipient of this transformational gift.

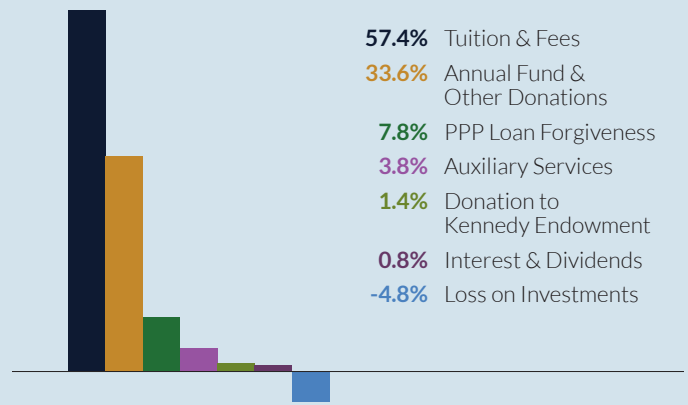

Largura Dorm houses twenty freshman and sophomore female boarding students. In addition, there are three faculty residences: a three bedroom, two and a half bathroom home, and two townhouses that each have two bedrooms and one and a half bathrooms. Largura not only provides living arrangements for students, it also enables us to attract and retain the best teachers. Beyond the naming rights, this gift enabled us to purchase all new furniture for every dorm on campus, and renovate each of them with new flooring and paint. It has already improved the lives of our boarding students tremendously.

John L. Largura passed away in July of 2020. His grandchildren Ethan '18, Emily '18, and Elizabeth '23, have each attended La Lumiere. A formal dedication will be held in the summer of 2023.

La Lu Palooza

JUNE 25, 2022

THE MORNING OF THIS YEAR'S LA LU PALOOZA, WHEN UNFORECASTED RAIN APPEARED ON CAMPUS AFTER AN EXTENDED DRY SPELL, WE THOUGHT TO OURSELVES: REALLY?!

Whether through divine intervention or a bit of good luck, the rain cleared up in the afternoon and what ensued was another night to remember for La Lumiere. From the beautiful space coordinated by our event chairs and team right here on this idyllic campus, to delicious food, drink, camaraderie, and live music that are defining characteristics of a La Lu party, the event was a success from start to finish.

During this event, we highlighted the most important question that we ask ourselves when making decisions here: "What's best for our students?" Through this lens, we make decisions on how to steer our ship, and it requires a tremendous investment of not only time but resources. Thanks to the generosity of so many, we raised nearly \$400,000 to invest in our students and the dedicated folks who work here, ensuring that each day we continue to form character, cultivate scholarship, and explore faith in order to grow into the most complete version of ourselves.

(Note: Donations made at the 2022 La Lu Palooza are covered in the Annual Report for 2021-2022.)

2022 Parent and Alumni Weekend and Golf Outing

SEPTEMBER 30 AND OCTOBER 1, 2022

AS OUR PARENT AND ALUMNI WEEKEND CAME TO A CLOSE, OUR COMMUNITY WATCHED AS EACH MEMBER OF THE SENIOR CLASS EMERGED FROM LA LUMIERE'S BEAUTIFUL WOODS WITH A FLAMING TORCH IN HAND.

As our seniors placed their torches into the bonfire, a magnificent light filled the night sky. The Senior Bonfire serves as the perfect closing event to La Lumiere's Parent and Alumni Weekend. Each student is given a powerful responsibility, and, piece by piece, they come together to create an incredible sight. The end result is La Lumiere's most treasured symbol—light.

In his remarks on the Friday night of that weekend, Dr. Hoyt touched on how important the Senior Bonfire is to La Lumiere. Together, each member of our community contributes time, resources, and energy to fuel the fire and fan the flames of this school's powerful mission. Thanks to the generosity of so many, we raised nearly \$200,000 to invest in our students and our dedicated faculty and staff.

(Note: Donations made at the 2022 Parent and Alumni Weekend and Golf Outing fall during the fiscal year of 2022-2023 and will be included in the 2022-2023 Annual Report.)

Strategic Plan Overview

It is our honor to share with you the overview of our new Strategic Plan for La Lumiere School. The plan was developed by an ad-hoc committee of Trustees and approved unanimously by the full Board in February of this year, and we could not have created it without the participation of many community members. We want to thank all of our families, alumni, board members, current students, current and former faculty members, and community stakeholders who participated in focus groups and shared perspectives that shaped this plan. Your input was tremendously helpful.

The plan, which contains four distinct areas of focus, will shape the school's decisions as it approaches the sixtieth anniversary of its founding in 1963.

Center student experiences around genuine encounter

- With one another—participation in the campus community
 - Kinship with peers from all walks of life
 - Mentorship from caring adults
- With the world around them
 - Connection with the natural world and environment
 - Involvement with the local community
 - Interaction with the global community
 - Engagement with the alumni community
- With the divine—exploration of faith
- With themselves—reflection through retreats and mindful practices

Achieve renown for our distinct approach to high school education

- Reinforce writing, public speaking, active reading, and research as defining characteristics of a La Lumiere education
- Stimulate civil discourse, epistemic humility, critical thought, a spirit of inquiry, and a sense of wonder across the curriculum
- Design instruction and assessment with transfer and application of knowledge as the goal
- Empower all students to understand, navigate, and contribute to the digital world; develop an intentional relationship with technology
- Continue to emphasize environmental stewardship through “learning-in-place”

Refine and elevate the arts, athletics, and all co-curricular offerings

- Grow the arts by involving more students and using the arts as a vehicle for engagement with the community around us
- Discern the proper slate of activities, then invest in coaching, equipment, and facilities for each
- Seek appropriate balance of participation versus competition for each program

Advance our mission

- Craft a comprehensive campus plan, including:
 - New commons for daily assemblies and community gatherings
 - Updated athletic complex
 - Better use of entire campus landscape
 - Revamped residence halls and academic buildings to foster student flourishing
- Manage enrollment to strengthen fiscal sustainability while prioritizing the close-knit dynamic among faculty and students
- Develop and support our people
- Explore alternative revenue streams which leverage and showcase our campus

1963 Society

OUR PLANNED GIVING PROGRAM

Please allow us to say **THANK YOU!**

Over the years, La Lumiere School has received several planned gifts from loyal alumni and friends. Many of the gifts arrive without fanfare or warning and we are eternally grateful for them; however, we always feel a tinge of regret that we were not able to thank the donor personally.

Thank you to the following individuals who have notified us of their intention to leave a legacy gift. We invite you to join them as members of the **1963 Society**.

Raymond Daly III	David and Johanna Miller
Chris '07 and Nadia Flodström	Billie Moore
Alan Hannan '78	John '69 and Christine Rumely
Terry and Frances Rumely Jones	Brad and Joan Wire
David Kirkby	

Please notify us if we have omitted anyone from the **1963 Society** who previously advised us of a bequest. We apologize in advance for any oversight and look forward to rectifying the situation as soon as possible. Please bear with us as we work to perfect our records and procedures.

What is **YOUR** legacy?

Planned gifts, *no matter the size*, have the power to impact La Lumiere for generations to come. Planned gifts provide essential funding that allows La Lumiere to maintain its programs and facilities for the future, while creating a legacy for its most loyal supporters. Thoughtfully planned, the following gifts may provide important personal benefits for you and your family while also providing support to La Lumiere in perpetuity.

A bequest, a gift included in your will, is one of the most common ways to leave a legacy for La Lumiere.

A life-income gift, such as a **charitable gift annuity** or a **charitable remainder trust**, is an excellent way to provide support for La Lumiere while ensuring your family's future.

A gift of **appreciated stock** is another way for you to provide meaningful support to La Lumiere while avoiding capital gains tax.

A gift of **retirement assets**, including a 401 (k) or IRA, may allow you to give more than you thought possible while reducing taxes that may otherwise consume these assets.

A gift of **life insurance policies** you no longer need may help La Lumiere.

If you have already provided for Lumiere School in your will or trust, please let us know. If you are interested in learning more about how to plan for tomorrow, today, please contact Brian Tonino, Director of Advancement at bttonino@lalumiere.org or 219.326.7450.

Before naming La Lumiere School in your will or considering another kind of planned gift, please consult with your attorney or financial advisor to explore what type of planned gift is best for you and your family.
